2130 ROWLEY ROAD, MALTA, NY 12020

<https://fallatigroup.com>

Opportunities like this don't come around often. Set in one of Saratoga County's most beautiful and tranquil locations, 2130 Rowley Road offers breathtaking views from every vantage point and a setting that once hosted a \$2.5M private estate. Following a past fire, the property has been cleared and now features an existing foundation, creating a true blank canvas for your next vision. The site is ideally suited for a custom two-family residence (with special permit), offering flexibility for owner-occupants, investors, or those looking to design a high-end multi-generational home. Surrounded by natural beauty and peaceful scenery, this exceptional parcel invites thoughtful design and inspired architecture—an opportunity to build something truly special in a location that simply can't be replicated.
